

# Unclear Roles

## What to look out for:

Not understanding roles and responsibilities.

This may look like:

Demands of roles not  
matched with staff abilities

Inductions of new roles not  
provided

Workstation assessments not  
completed

Lack of clarity around  
expectations

Isolated and / or remote work

Hazardous physical working  
environment

## Who can I tell: Reporting process

In the first instance, speak to your supervisor or manager, HR or WHS personnel.
